ICC Cricket World Cup 2011

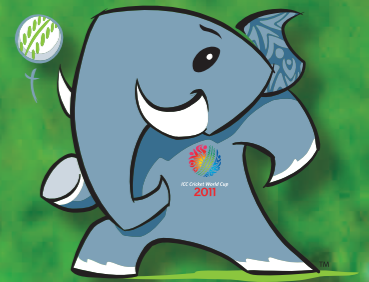

The previous Cricket World Cup in the sub-continent was in 1996, when Sri Lanka defeated Australia by 7 wickets in Lahore, Pakistan. Since then Australia have been successful in all 3 subsequent World Cups, co-incidentally against the 3 sub-continent countries of Pakistan, India and Sri Lanka – and Premium Sport Tours have been there for all of them.

We've also undertaken cricket tours to India, Sri Lanka and Pakistan, which has given us a unique insight into the workings and understanding of the requirements needed to successfully and safely tour the sub-continent.

With Australia's renowned reputation in this form of the game, we're confident of going through to the finals, so our tour includes the last group match, plus the 3 finals; 2 in Colombo, Sri Lanka, and the final in Mumbai. However the rise of the powers in the Asian countries will again surely test us, and they will be keener than ever to assume the mantle of World Cup Champions, especially on their home turf.

The World Cups are completely different in each location, and while we chartered our own ship in the Caribbean, exclusively for Australian supporters, it is not a viable option in the sub-continent, so we've included a side trip to the Maldives to the beautiful island atoll of Hudhuran Fushi (Island of White Gold).

But the destinations of Sri Lanka and India are highlights in their own right, and the tropical and historical beauty of Sri Lanka, along with the magic and mystique of India, make this the most fascinating of tours. The hotels, sightseeing and touring that we've included, make this a tour I am again looking forward to, and hope that we will have the pleasure of your company along with us..
